Welcome to the ACE Furniture Catalogue

Introduction

With many years experience in the manufacture and supply of tables and chairs to the leisure industry, ACE Furniture is well established as a leading provider of purpose built, quality contract furniture.

Our ever increasing list of satisfied customers includes local government, hospitals, universities, hotels, pubs and clubs across the country. Our flair, flexibility and backup service is second to none.

We have built up a reputation to produce high quality furniture at a competitive price, delivered to site and on time.

Discover the widest range of tables and chairs for the hotel and restaurant trades. Extensive in-house upholstery, woodworking and stain and polish facilities produce fine bespoke units, making us the natural choice for this requirement. Skillfully engineered tubular steel-framed modules are manufactured to suit specialist orders.

We upholster pieces to order and offer design and fabric sourcing if required. Our upholstery team carry out on-site refurbishment where items cannot be uplifted and brought back to our workshops.

Our work is delivered and completed onsite. There is no 'self assembly' so you can concentrate on what you do best.

Outdoor

The Outdoor range is especially designed for the pub patio or Bistro front. Sturdy construction ensures that chairs and tables are hard wearing and will survive exposure to the element, and to heavy usage. The furniture suits both traditional and modern settings.
